

How To:

Fundraise Money

Here are some fundraising suggestions for your club or society:

- **BBQs** – most common form of fundraising. Book the BBQ through UC Life! and we will set the BBQ up for you on campus. There is a maximum of 2 BBQ bookings on a Wednesday per club. Think sausages, pancakes, bacon and egg rolls, hamburgers. We also have a BBQ kit which you can hire which includes tongs, spray oil, etc. Booking forms available <http://ucunion.com.au/club-society-resources/manage-your-club/>
- **Selling Cadbury chocolates** <https://www.fundraising.com.au/>
- **Host bowling at AMF** – AMF bowling can help you set up a fundraising event. They charge your club \$15pp for 2 games and you can then charge attendees whatever you like, and your club can keep the profits. For example, if you charge each attendee \$18, you will be making a profit of \$3 per person for your club or society. AMF set up a RSVP form and payment portal for you and allocate a sales executive to help manage your event <http://www.amfbowling.com.au/Events/Fundraising.aspx>
- **Hold a raffle or auction**– Ask businesses to donate prizes and sell tickets or auction them off (silent, live or online)
- **Bake sale:** Ask committee and club members to bake a cake, cookies, muffins or brownies and host a bake sale
- **Window washing** – pick a busy intersection and wash windows for \$2. All you need is some cheap window washing gear!
- **Host a Trivia Night** and charge teams to participate. These can be booked through UC Life! and hosted free of charge at The Well on Tuesdays. The Well will provide prizes,
- **Competitions** – e.g. whoever can throw a \$1 coin closest to the prize wins the prize and your club or society keeps all the \$1 coins.
- **Exhibitions** – display your designs, arts and crafts and charge an admissions fee
- **Guessing game** – guess how many jelly beans are in the jar, pay \$1 to guess and winner gets the jelly beans
- **Sporting competitions**
- **Krispy Kreme fundraiser drive** – take orders for bulk orders of Krispy Kremes and make a profit – Yum!
